Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy:

The DHCFP is proposing a State Plan Amendment to attachment 3.1-A to enter into the National Medicaid Pooling Initiative (NMPI) model for supplemental rebate agreements. The NMPI is a multi-state Medicaid pharmaceutical purchasing pool that will allow Nevada Medicaid to consolidate purchasing power to negotiate a lower price for prescription drugs.

There is no anticipated fiscal impact on Tribal Governments.

If you would like a consultation regarding this proposed change in policy, please contact Monica Schiffer at (775) 684-3653 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,

Casey Angres
