Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy:

DHCFP is proposing to amend Section 4.19 of the Medicaid State Plan. These proposed changes will make revisions to Medicaid State Plan (SPA), Attachments 4.19-B, page 8a-8d to change the language of Certified Community Behavioral Health Centers (CCBHCs) bundled rates for years 1, 2, 3 and onward and Quality Incentive Payment (QIP) for year, 1, 2, 3 and onward based on data submission rules.

There is no anticipated negative fiscal impact to the tribes.

If you would like a consultation regarding this proposed change in policy, please contact Monica Schiffer at (775) 684-3653 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,
