

STRATEGIC PLAN

Nevada Department of
Health and Human Services

DIVISION OF HEALTH CARE FINANCING AND POLICY

JULY 2019-JUNE 2021

VISION

the future we aim to create

A Healthy Nevada

PURPOSE

what we do and who we serve

We contribute to the health and well-being of Nevadans by promoting access to a quality healthcare system in a financially responsible manner.

OUR VALUES

the principles that guide our work

We are:

- Member Focused – We understand that social and economic conditions significantly impact health and are dedicated to designing and administering programs that meet the needs of members and improve their health.
- Accountable – We strive to be transparent, responsible for our actions, and conduct ourselves and our work with the highest integrity.
- Collaborative – We are committed to working in true partnership with our colleagues, other state agencies, and stakeholders.
- Adaptable – We recognize member needs and the health care system are dynamic, so we are responsive to change and resilient.
- Results Oriented – We are focused on delivering the results of improved health and strong administration and fiscal management.

STRATEGIC GOALS

the program improvements we are planning to achieve our mission

1. Promote health coverage for all Nevadans
2. Increase access to and use of primary care and preventive services
3. Improve the quality of and access to behavioral health services available to members
4. Ensure all pregnant women, children and parents have the support they need for a strong start
5. Plan to support healthy aging for Nevadans
6. Develop a comprehensive strategy for prescription drug coverage and pricing
