

The Division of Health Care Financing and Policy (DHCFP, Nevada Medicaid) is currently recruiting for a physician to serve on the Pharmacy and Therapeutics (P&T) Committee. The P&T Committee is responsible for approving prescription drugs included on the Nevada Medicaid's Fee-For-Service Preferred Drug List. The P&T Committee meets quarterly and consists of 10 members, 5 pharmacists and 5 physicians. The majority of the meetings are in Las Vegas and there is no videoconferencing, so travel to meetings may be necessary. Members are reimbursed for expenses when traveling from areas outside Las Vegas. The initial term may be for a period of one or two years. A member may be reappointed after the initial term.
