

The Division of Health Care Financing and Policy (DHCF) Nevada Medicaid is currently recruiting for a physician and/or pharmacist to serve on the Pharmacy & Therapeutics (P&T) Committee. The P&T Committee is responsible for approving prescription drugs included on the Nevada Medicaid's Fee-For-Service Preferred Drug List. The P&T Committee meets quarterly and consists of at least 5 but not more than 11 members, including pharmacists and physicians. The meetings are held via videoconferencing with a Las Vegas and a Carson City location, so travel to meetings should not be necessary. Members are reimbursed for expenses when traveling from areas outside Las Vegas. The initial term will be for a period of two years. A member may be reappointed after the initial term.
