| | | | | | <p>5. Are there financial or other eligibility requirements for coverage under the COVID-19 testing group?</p> <p>There is no income or resource test for coverage under the COVID-19 testing eligibility group. Individuals must meet other non-financial eligibility requirements, including being a resident of the state and furnishing a Social Security Number (SSN). Recall that the state agency must assist individuals who do not have an SSN in completing an application to obtain one in accordance with 42 CFR 435.910.</p> <p>For individuals who meet all eligibility criteria for the COVID-19 testing group, but are not a United States citizen or do not have a satisfactory immigration status, federal financial participation (FFP) is limited to payment for services that are necessary for treatment for an emergency medical condition as defined in section 1903(v)(3) of the Act.</p> |
| 29 | Allow for telephonic reimbursement within use of telehealth for at risk populations and the designation of home as an originating site. Expand telehealth to including telephonic consultations for services appropriate for telehealth, excluding services defined in policy or at the discretion of the Director. This would only be utilized during the period of the 1135 waiver. | Medicare Blanket Waiver | MCOG CM CCSQ | Flexibility provided in 3/30/20 Medicare Blanket Waiver https://www.cms.gov/files/document/covid-19-emergency-declaration-health-care-providers-fact-sheet.pdf | Medicaid is not specific regarding telehealth so a SPA would only be required if the current state plan includes limitations on telehealth. |
