Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy:

The DHCFP is proposing an amendment to the 1915(i) Home and Community Based Services benefit for Intensive In-Home Services and Supports and Crisis Stabilization Services. This amendment will include an additional care coordination model, Safety Assessment Family Evaluation (SAFE), to be utilized by the local county agencies when evaluating individuals to be eligible for these services.

There is no anticipated fiscal impact to the Tribal Government.

We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,
