Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed update to the State Plan and proposed change in policy:

Pursuant to Nevada Assembly Bill 277 passed during the 82nd (2023) Legislative Session, State Plan Attachment 3.1 A page 1 and page 1a (continued) and Medicaid Services Manual (MSM) Chapter 200 – Outpatient Hospitals will be updated to reflect that rural emergency hospitals meeting established criteria may be endorsed as a stabilization crisis center. This criteria will be set by Health Care Quality and Compliance (HCQC).

There is no anticipated fiscal impact to Tribal Governments.

If you would like a consultation regarding this proposed change in policy, please contact Monica Schiffer at (775) 684-3653 who will schedule a meeting. We would appreciate a reply within 30 days of the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,

Casey Angres
