Dear Tribal Members:

A tribal notification letter was sent June 1, 2020 regarding proposed changes to Medicaid Services Manual (MSM) Chapter 100 – Medicaid Program, to advise tribes about various updates being made to the chapter. This project has been ongoing, and the Division of Health Care Financing and Policy (DHCFP) wanted to take this opportunity to bring it back to your attention.

In accordance with established consultation guidelines, DHCFP is notifying Nevada tribes of the following proposed change in policy:

The DHCFP is proposing revisions to MSM Chapter 100 – Medicaid Program, to update language in various sections in order to provide clarity for providers and stakeholders as well as better align with federal and state laws.

There is no anticipated fiscal impact to the Tribal Governments.

If you would like a consultation regarding this proposed change in policy, please contact Monica Schiffer at (775) 684-3653 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.
