Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy:

The DHCFP is proposing revisions to Medicaid Services Manual (MSM) Chapter 2800 – School Based Child Health Services to include recent updates to other Medicaid policies such as Telehealth, Applied Behavioral Analysis (ABA) and Katie Beckett Policy; and clarification related to the Medical Team Conference process. The updates will provide improved guidance to the school districts for the delivery of health services available in the school-setting.

There is no anticipated fiscal impact to the Tribal Governments.

If you would like a consultation regarding this proposed change in policy, please contact Monica Schiffer at (775) 684-3653 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,

Casey Angres
