Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy:

The DHCFP is proposing State Plan Amendment (SPA) to Section 4.19-B to create a fee schedule for physician-administered drugs (PADs) as part of effective and comprehensive management of PADs.

Nevada Medicaid is unaware of any financial impact to other entities or Tribal Governments due to this proposed change, other than as stated above.

If you would like a consultation regarding this proposed change in policy, please contact Monica Schiffer at (775) 684-3653 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,
