Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy:

DHCFP is proposing the creation of a new subspecialty under Provider Type (PT) 17 – Special Clinic for providers who provide services to children with cancer and rare diseases. These specialty clinics will receive an enhanced rate reimbursement which is yet to be determined along with what the PT specialty number will be. More information will be forthcoming.

There is no anticipated fiscal impact to Tribal Governments.

If you would like a consultation regarding this proposed change in policy, please contact Monica Schiffer at (775) 684-3653 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,

Casey Angres
