Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy:

Revisions to Medicaid Services Manual (MSM) Chapter 2000 - Audiology Services are being proposed to clarify coverage and limitations for hearing aid batteries for persons' age 21 and older. No changes are being proposed, just clarifying services already covered for recipients.

No fiscal impact to the tribes is anticipated.

If you would like a consultation regarding this new policy, please contact Tanya Benitez at (775) 684-3722 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,

A handwritten signature in black ink, appearing to read "Lynne Foster".
