Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy:

Revisions to Medicaid Services Manual, Chapter 1200, Appendix A, are being made to reflect approved actions by the Drug Use Review (DUR) Board at the April 27, 2017 meeting. The DUR Board approved the removal of prior authorization criteria for Symlin® (Pramlintide Injection).

There is no anticipated fiscal impact to the Tribal Governments.

If you would like a consultation regarding this new policy, please contact Colleen McLachlan at (775) 684-3722 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,

A handwritten signature in blue ink that reads "Lynne Foster".
