Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy:

Updating State Plan 4.22 and 4.22-B third party liability language related to payment of claims consistent with current methodology for cost avoidance and cost savings. State plan language and process are also being updated to align with current practices.

Attachment 4.22-B, Pages 1 and 2 have been updated to align with required Federal regulations and correlating categories to new Medicaid Operations Manual Chapter 800.

There is no anticipated fiscal impact to the Tribal Governments.

If you would like a consultation regarding this new policy, please contact Colleen McLachlan at (775) 684-3722 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,

Lynne Foster
