Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy:

The DHCFP is proposing an amendment to Attachment 4.19-A, Page 32b of the Nevada Medicaid State Plan that would allow the continuation of the supplemental payment program based on inpatient hospital utilization in order to preserve access to inpatient acute services through State Fiscal Year (SFY) 2019. This amendment will also increase the supplemental payments from \$87,233,867.32 in SFY 2018 to \$96,367,052.42 in SFY 2019.

This covers all public and private entities under Provider Type 011 (Inpatient Hospital). The DHCFP projects a change in annual aggregate expenditures as follows:

There is an estimated increase in supplemental payments for SFY 2019 of \$9,133,185.10.

There is no anticipated impact to the Tribe.

If you would like a consultation regarding this new policy, please contact Colleen McLachlan at (775) 684-3722 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,

Lynne Foster
Chief of Division Compliance
