July 2, 2018

Inter-Tribal Council of Nevada  
Len George, ITCN President  
Tribal Chairman of Fallon Paiute Shoshone Tribe  
565 Rio Vista Drive  
Fallon, NV 89406

Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy:

The DHCFP will draft a State Plan Amendment (SPA) to correct a previous error noting that Nevada has a Primary Care Case Management (PCCM) model under our managed care delivery system. The SPA revision will remove PCCM as a selection under our managed care delivery system. The notations within the SPA related to the PCCM program provided within the Fee-for-Service delivery system will also be removed, as they are noted within the wrong section of the State Plan.

There is no anticipated fiscal impact to the Tribal Governments.

If you would like a consultation regarding this new policy, please contact Colleen McLachlan at (775) 684-3722 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,

Lynne Foster  
Chief of Division Compliance
