Tribal Chairman of Fallon Paiute Shoshone Tribe

Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy:

Revisions to the Medicaid Services Manual (MSM) Chapter 100 – Medicaid Program are proposed to change the retroactive enrollment date (backdate) to 90 days for all in-state provider contracts and provider types. In-state providers who submit a complete application and provider contract may request retroactive enrollment up to 90 days from the date of receipt. This change will not affect out-of-state providers.

Revisions to the MSM Chapter 100 – Medicaid Program are also proposed to adjust the in-state provider billing time frame (stale date) to 90 days for all provider types. To be considered timely, claims must be received by the fiscal agent within 90 days from the date of service or the date of eligibility decision, whichever is later. This change will not affect out-of-state providers or Third-Party Liability (TPL).

There is no anticipated fiscal impact to the Tribal Governments.

If you would like a consultation regarding this new policy, please contact Colleen McLachlan at (775) 684-3722 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,

Lynne Foster  
Chief of Division Compliance
