Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy.

Revisions to Medicaid Services Manual (MSM) Chapter 1200 were made to reflect approved actions by the Drug Use Review (DUR) Board at the July 24, 2014 meeting.

The DUR Board is a requirement of the Social Security Act to identify and reduce fraud, abuse, overuse, and medically unnecessary care. The DUR Board also works to minimize drug interactions, drug-induced illness, and undesirable drug reactions in recipients.

Prior authorization criteria was revised by the DUR Board on July 24, 2014 for Xolair® (Omalizumab); Kalydeco® (ivacaftor); and medications for the treatment of acne.

It is anticipated there will be no fiscal impact for the tribes due to these changes.

If you would like a consultation regarding this new policy, please contact Tanya Benitez at (775) 684-3722 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider that an indication that no consultation is requested.

Sincerely,

A handwritten signature in black ink that reads "Laurie Squartsoff".
