Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in the State Plan.

The following change is regarding drug rebate contracts. DHCFP receives rebates from drug manufacturers which reduces the cost of drugs for Medicaid. **Attachment 3.1-A page 5b, Section 7(a)**: The following language was removed, "The contracts have been submitted to CMS for an effective date of January 1, 2012 through their expiration dates." The following language is added, "The supplemental rebate agreement submitted to CMS on July 1, 2014 amends the original, January 1, 2012 version, which is effective through their expiration dates."

There is no fiscal impact to the tribes. The change renews the effective date for the drug rebate contracts.

If you would like a consultation regarding this new policy, please contact Tanya Benitez at (775) 684-3722 who will schedule a meeting. We would appreciate a reply whether or not you would like this consultation, however if we do not hear from you within 30 days from the date of this letter we will consider that an indication that no consultation is requested.

Sincerely,
