Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy.

The DHCFP is proposing a policy revision to MSM Chapter 2500. This policy revision will clarify that the Targeted Group, Juvenile Probation, is to align case management services administered by qualified providers to all Nevada Counties.

This proposed clarification is not anticipated to have a fiscal impact to the Nevada Tribes.

If you would like a consultation regarding this new policy, please contact Tanya Benitez at (775) 684-3722 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,

A handwritten signature in cursive script that reads "Laurie Squartsoff".
