Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of proposed changes in policy.

Revisions to Medicaid Services Manual (MSM) Chapter 3600, Managed Care Organizations (MCO), will be made in reference to the following areas:

- Proposed language will be added to the Excluded Services and/or Coverage Limitations section to accurately reflect that all orthodontia covered services are reimbursed under the Fee-for-Service (FFS) benefit plan. MCO recipients will remain enrolled with the MCO, and obtain medically necessary services from a FFS provider.
- Proposed language will be removed from the Excluded Services and/or Coverage Limitations section that required recipients receiving Adult Day Health Care (ADHC) Services to be disenrolled from the MCO benefit plan. Recipients receiving ADHC services will now remain enrolled in their MCO benefit plan, and these services will be reimbursed by the FFS benefit plan to FFS providers.

If you would like a consultation regarding this new policy, please contact Tanya Benitez at (775) 684-3722 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time we will consider that an indication that no consultation is requested.

Sincerely,

A handwritten signature in blue ink that reads "Marta Jensen".
