Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy:

Revisions to Medicaid Services Manual (MSM) Chapter 600, Physician Services, will expand the list of covered uses for Botulinum Toxin Products (Botox) to the following Food & Drug Administration (FDA)-approved conditions:

- Overactive bladder;
- Urinary incontinence;
- Chronic migraines;
- Upper limb spasticity;
- Cervical dystonia;
- Severe primary axillary hyperhidrosis; and
- Strabismus and blepharospasm associated with dystonia.

The DHCFP does not anticipate fiscal impact to the tribes.

If you would like a consultation regarding this new policy, please contact Tanya Benitez at (775) 684-3722 who will schedule a meeting. We would appreciate a reply whether or not you would like this consultation. However, if we do not hear from you within 30 days from the date of this letter, we will consider that an indication that no consultation is requested.

Sincerely,

A handwritten signature in blue ink that reads "Laurie Squartsoff".
