Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy.

Revisions to prior authorization criteria were approved by the Drug Use Review (DUR) Board on July 24, 2014. Prior authorization criteria was revised for medications used for the treatment of acne; Xolair® (omalizumab); and Kalydeco® (ivacaftor).

It is anticipated there will be no fiscal impact for the tribes due to these changes.

If you would like a consultation regarding this new policy, please contact Tanya Benitez at (775) 684-3722 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,

A handwritten signature in cursive script that reads "Laurie Squartsoff".
