Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy.

Chapter 400 of the Medicaid Services Manual (MSM) is the Medical Coverage Policies and Procedures for Mental Health and Alcohol/Substance Abuse Services. The chapter outlines covered benefits and provider standards for quality assurance. Currently providers under the Behavioral Health Community Network (BHCN) delivery model must develop, implement, and maintain a Quality Assurance (QA) program.

The proposed policy changes will clarify requirements for our BHCN providers and identify responsibilities and requirements for the BHCN QA plan and report.

There is no anticipated fiscal impact with the updates to this policy. The proposed revisions are further clarifying the policy.

If you would like a consultation regarding this new policy, please contact Tanya Benitez at (775) 684-3722 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,

A handwritten signature in cursive script that reads "Laurie Squartsoff".
