Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed changes:

Revisions are being made to the following Medicaid Services Manuals (MSMs):

- MSM Chapter 100, Medicaid Program;
- MSM Chapter 400, Mental Health and Alcohol/Substance Abuse Services;
- MSM Chapter 600, Physician Services;
- MSM Chapter 1000, Dental;
- MSM Chapter 1100, Ocular Services;
- MSM Chapter 1200, Pharmacy Services; and
- MSM Chapter 1700, Therapy.

These changes are being made to comply with the transition to ICD-10CM as required by the Health Insurance Portability and Accountability Act (HIPAA) mandate, effective October 1, 2015.

In order to be in compliance with this mandate, the DHCFP will transition the International Classification of Diseases 9th Revision, Clinical Modification ICD-9CM diagnosis and codes and the Diagnostic and Statistical Manual of Mental Disorders, 4th Edition (DSMIV) to ICD-10CM.

There are no substantial policy changes for this conversion. However, there will be public workshops to review the above policies prior to the public hearings.

Throughout the chapter, grammar, punctuation, and capitalization changes were made, duplications removed, acronyms used and standardized, and language reworded for clarity. Renumbering and re-arranging of sections was necessary.

No fiscal impact to the tribes is anticipated.

If you would like a consultation regarding this new policy, please contact Tanya Benitez at (775) 684-3722 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,
