Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed Medicaid State Plan update.

The DHCFP is updating the Nevada Medicaid State Plan Administration, Designation and Authority Section as required by 42 CFR 431.10. This section was last updated in 1977 and references the obsolete Department of Human Resources rather than the current Department of Health and Human Services. The new Centers for Medicare and Medicaid Services' Medicaid State Plan template requires additional program information than was included in the prior Nevada Medicaid State Plan. This State Plan Amendment update does not change the Medicaid program.

There is no fiscal impact as this is not a program change.

If you would like a consultation regarding this State Plan Amendment update, please contact Tanya Benitez at (775) 684-3722 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider that an indication that no consultation is requested.

Sincerely,

A handwritten signature in cursive script that reads "Laurie Squartsoff".
