Dear Sirs:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy to Medicaid Services Manual Chapter 1800, Adult Day Health Care Services.

This chapter was recently re-written and approved at the May 10, 2011 public hearing. However, there were employee training requirements and recipient signature requirements inadvertently omitted in the re-write. This chapter revision also includes minor policy clarifications.

A program requirement of ADHC is an initial and annual on-site visits, which include employee and recipient file reviews. DHCFP has created a form for this requirement. This form will be presented at public hearing along with this chapter revision.

If you would like a consultation regarding this new policy, please contact Crystal Johnson at (775) 684-3422 who will schedule a meeting. We would appreciate a reply whether or not you would like this consultation, however if we do not hear from you within 30 days from the date of this letter we will consider that an indication that no consultation is requested.

Sincerely,

A handwritten signature in blue ink that reads "Charles Duarte".
