Dear Sirs:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of our intention to submit a State Plan Amendment to change the methodology for calculation and distribution of Disproportionate Share Hospital (DSH) supplemental payments. The federal program allocation will be decreasing, requiring revisions to the Medicaid State Plan.

Our intention is to submit such an amendment during the second calendar quarter of 2013.

If you would like a consultation regarding this new policy, please contact Crystal Johnson at (775) 684-3722 who will schedule a meeting. We would appreciate a reply whether or not you would like this consultation. If we do not hear from you within 30 days from the date of this letter we will consider that an indication that no consultation is requested.

Sincerely,

A handwritten signature in cursive script that reads "Laurie Squartsoff".
