Dear tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in our Long Term Support Service Program.

Nevada Medicaid will be working with program recipients, providers and stakeholders to help transition our long term support service programs into one integrated program with the goal of simplified program intake and service access as well as coordinated quality management.

Program development workshops will be scheduled to develop the program change plan. No fiscal impact has yet been determined.

If you would like a consultation regarding this proposed program change, please contact Crystal Johnson at (775) 684-3722 who will schedule a meeting. We would appreciate a reply whether or not you would like this consultation, however if we do not hear from you within 30 days from the date of this letter we will consider that an indication that no consultation is requested.

Sincerely,
