Dear Sirs:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying the Nevada tribes of the following proposed policy changes in the Medicaid Services Manual Chapter 100:

Section 102.2 CONDITIONS OF PARTICIPATION – ALL PROVIDERS – This section discusses the conditions of participation that all providers must adhere to. In order to comply with the Adam Walsh Child Protection Act of 2006, a full, fingerprint-based criminal history and Child Abuse and Neglect Screening (CANS) must be conducted on *any* persons providing care to foster children.

Section 105.2C- 105.2C DISPUTED PAYMENT This section discusses disputed payments and the provider's ability to request an appeal. A paragraph was reworded for clarity and readability. The timeframe and process did not change. There is no known fiscal impact.

If you would like a consultation regarding this new policy, please contact Crystal Johnson at (775) 684-3722 who will schedule a meeting. We would appreciate a reply whether or not you would like this consultation, however if we do not hear from you within 30 days from the date of this letter we will consider that an indication that no consultation is requested.

Sincerely,

A handwritten signature in blue ink, appearing to read "Elizabeth Aiello".
