Dear Sirs:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) are notifying the Nevada tribes of the following proposed policy changes.

Changes are being proposed to Chapter 100, Section 106 to ensure quality providers are rendering services to Medicaid recipients. Policy is being updated to broaden the causes of terminations and define the length of sanction. The length of sanction outlined in Section 106 is compatible to CFR and NRS. There were also formatting and numbering changes throughout.

If you would like a specific consultation regarding this new policy, please contact Jennifer Frischmann at (775) 684-3747 who will schedule a meeting. We would appreciate a reply whether or not you would like this consultation; however, if we do not hear from you within 30 days from the date of this letter, we will consider this as an indication that no consultation is requested.

Sincerely,

A handwritten signature in blue ink that reads "Charles Duarte".
