Dear Sirs:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) are notifying the Nevada tribes of the following proposed Chapter 1600, Intermediate Care for the Mentally Retarded, coverage policy changes.

The use of Adult Day Health Care services as it relates to ICF/MR recipients has been added to the chapter.

Chapter section 1603.4 that addresses transportation has been revised to refer the reader to Chapter 1900, Transportation, as the appropriate authority

Section 1603.7B, "Cost Reporting and Audit", has been revised to direct the provider to DHCFP's Rates and Cost Containment Unit for instructions and the appropriate form. A new paragraph has been added to this section to provide direction to the facilities in the handling of patient trust funds.

If you would like a specific consultation regarding this new policy, please contact Crystal Johnson at (775) 684-3722 who will schedule a meeting. We would appreciate a reply whether or not you would like this consultation; however, if we do not hear from you within 30 days from the date of this letter, we will consider this as an indication that no consultation is requested.

Sincerely,

A handwritten signature in blue ink, appearing to read "Charles Duarte".
