Dear Sirs:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy regarding non-emergency transportation services for Nevada Check Up (NCU) recipients effective June 1st, 2010.

Updates are being proposed to Medicaid Services Manual, Chapter 1900 to correct the improper designation of the non-emergency transportation broker as a prepaid ambulatory health plan (PAHP). Removing the PAHP designation allows DHCFP more flexibility in determining rates to the broker.

If you would like a specific consultation regarding this new policy, please contact Glenda Grafton at 775-684-3613 who will schedule a meeting. We would appreciate a reply whether or not you would like this consultation, however if we do not hear from you within 30 days from the date of this letter we will consider that an indication that no consultation is requested.

Sincerely,

A handwritten signature in blue ink that reads "Charles Duarte".
