Dear Sirs:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) are notifying the Nevada tribes of the following proposed policy changes.

Radiology Chapter 300, page 3 of the appendix section under Evoked Potentials and Reflex Tests will have the following correction. CPT code 95937 (neuromuscular junction testing) part of a series of H-reflex tests will need a prior authorization to reflect our policy.

If you would like a specific consultation regarding this new policy, please contact Crystal Johnson at (775) 684-3722 who will schedule a meeting. We would appreciate a reply whether or not you would like this consultation; however, if we do not hear from you within 30 days from the date of this letter, we will consider this as an indication that no consultation is requested.

Sincerely,

A handwritten signature in blue ink that reads "Charles Duarte".
