Dear Sirs:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy.

Medicaid Service Manual (MSM) Chapter 400, Section 403.6E Day Treatment Services revisions are being made to reflect service and documentation requirements, Behavioral Health Care Network (BHCN) service delivery model, non covered services, program approval and enrollment requirement, provider responsibilities and reclassification as an outpatient delivery model. The changes are intended to ensure Day Treatment Services are evidence based and provided in a milieu model in accordance with the intent of policy. Various policy clarification, grammatical changes and layout changes are included.

There is no direct impact on Indian Health Programs and/or tribal governments.

If you would like a consultation regarding this new policy, please contact Crystal Johnson at (775) 684-3722 who will schedule a meeting. We would appreciate a reply whether or not you would like this consultation, however if we do not hear from you within 30 days from the date of this letter we will consider that an indication that no consultation is requested.

Sincerely,

A handwritten signature in blue ink that reads "Charles Duarte".
