Dear Sir:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy.

Revisions to MSM Chapter 1500 – Healthy Kids, were made to update the immunization and periodicity schedules and clean up language.

Throughout the chapter, grammar, punctuation, and capitalization changes were made, duplications removed, acronyms used and standardized, and language reworded for clarity. Renumbering and re-arranging of sections was necessary.

There is no fiscal impact.

If you would like a consultation regarding this new policy, please contact Crystal Johnson at (775) 684-3722 who will schedule a meeting. We would appreciate a reply whether or not you would like this consultation, however if we do not hear from you within 30 days from the date of this letter we will consider that an indication that no consultation is requested.

Sincerely,

A handwritten signature in cursive script that reads "Laurie Squartsoff".
