Dear Sirs:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy.

Changes to Medicaid Services Manual Chapter 2600, Intermediary Services Organization (ISO), include a change in process for the Self-Directed Model Initiation. The required authorizations and forms will no longer be sent to the QIO-like vendor by DHCFP District Office staff, but by the ISO of choice. This change will streamline the process for Self Direction.

If you would like a consultation regarding this new policy, please contact Crystal Johnson at (775) 684-3722 who will schedule a meeting. We would appreciate a reply whether or not you would like this consultation, however if we do not hear from you within 30 days from the date of this letter we will consider that an indication that no consultation is requested.

Sincerely,

A handwritten signature in blue ink that reads "Charles Duarte".
