Dear Sirs:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy.

Attachment 4.19-B Page 1c: The reimbursement methodology for Radiopharmaceutical and Contrast codes will be added to the section entitled "Payment for services billed by Physicians". Radiopharmaceutical and Contrast codes will be priced at either an average or a median of other State Medicaid and Medicare rates determined via a survey. These rates will be monitored and updated as needed to assure continued consistency with nationwide prices.

If you would like a consultation regarding this new policy, please contact Crystal Johnson at (775) 684-3722 who will schedule a meeting. We would appreciate a reply whether or not you would like this consultation, however if we do not hear from you within 30 days from the date of this letter we will consider that an indication that no consultation is requested.

Sincerely,

A handwritten signature in blue ink that reads "Charles Duarte".
