Dear Sirs:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is proposing to submit a State Plan Amendment to change the methodology for reimbursed Adult Day Health Center (ADHC) providers. All ADHC providers are currently paid a market based rate. The proposed amendment will allow state and local government providers the option of choosing the current market based rate or a cost-based governmental rate. Providers that choose the governmental cost based rates will have the option of utilizing either Intergovernmental Transfers (IGT) or Certified Public Expenditures (CPE).

Our intention is to submit such an amendment during the fourth calendar quarter of 2011.

If you would like a consultation regarding this new policy, please contact Crystal Johnson and at (775) 684-3722 who will schedule a meeting. We would appreciate a reply whether or not you would like this consultation, however if we do not hear from you within 30 days from the date of this letter we will consider that an indication that no consultation is requested.

Sincerely,

A handwritten signature in blue ink that reads "Charles Duarte".
