Dear Sirs,

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy regarding Primary Care Case Management (PCCM).

This amendment deletes Section 4.10 Attachment A. Section 4.10 Attachment A is an exception to freedom of choice of providers under a Primary Care Case Management (PCCM). The State of Nevada Medicaid Program has used a Managed Care Model since 2002 and does not currently use the PCCM model. The Vendor referred to in Section 4.10 Attachment A is no longer contracted with the State of Nevada Medicaid Program. There is no financial impact to this amendment.

If you would like a specific consultation regarding this new policy, please contact Jon Kirwin at 775-684-3706 who will schedule a meeting. We would appreciate a reply whether or not you would like this consultation, however if we do not hear from you within 30 days from the date of this letter we will consider that an indication that no consultation is requested.

Sincerely,

A handwritten signature in blue ink that reads "Charles Duarte".
