Dear Sirs:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy.

Revisions to MSM Chapter 600 were made to remove and replace specific Nevada Revised Statutes (NRS) citations with general NRS citations. The chapter has also been updated with current medically standard terminology.

Billing information has been removed and references to the billing manual have been inserted where appropriate.

Throughout the chapter, grammar, punctuation, and capitalization changes were made, duplications removed, acronyms used and standardized, and language reworded for clarity. Renumbering and re-arranging of sections was necessary.

If you would like a consultation regarding this new policy, please contact Jon Kirwan at (775) 684-3706 who will schedule a meeting. We would appreciate a reply whether or not you would like this consultation, however if we do not hear from you within 30 days from the date of this letter we will consider that an indication that no consultation is requested.

Sincerely,

A handwritten signature in blue ink that reads "Laurie Squartsoff".
