# Provider Training Setting

- Power Point Presentation
- Narration
- Screen mockups and sequences

# Transcription

- All of the Nevada EHR Incentive Payment System training for eligible providers will be presented in PowerPoint format with, or without, audio recording. You may listen to the training, or you may read transcriptions of the training. In addition, PDF copies of the training are also available.
- The provider training presentations contain screen mockups of the screens you the provider may encounter in your enrollment process using the Nevada EHR Incentive Payment System. These screens are presented to enhance your understanding and comfort in using the system. They contain test or dummy data. On some screens, selected fields may be intentionally blurred.
- Next slide, please.
