Helping People -- It's Who We Are And What We Do*

Revisions to MSM Chapter 400 are proposed to revise policy for Basic Skills Training (BST), MSM Section 403.6C(3). Proposed changes titrate down service limitation over time for BST. The proposed changes are as follows: two hours per day for the first 90 days, one hour per day for the next 90 days. Services needed beyond the 180 days would require a prior authorization (PA) meeting medical necessity. Services above the above-mentioned service limitations would require a PA meeting medical necessity.

Entities Financially Affected: This proposed change affects all Medicaid-enrolled providers delivering Basic Skills Training. This provider type includes, but is not limited to: Behavioral Health Outpatient Treatment Services (PT 14) and Behavioral Health Rehabilitative Services (PT 82).

Financial impact on local government: Unknown at this time.
