

1. Inpatient hospital services are limited to admissions certified for payment by Nevada Peer Review Organization.
- 2.a. Outpatient hospital services are limited to the same extent as physicians' services, prescribed drugs, therapy and other specific services listed in this Attachment (see 2.c.).
- 2.b. Rural health clinic services are subject to the same limitations listed for specific services elsewhere in this Attachment.

Rural Health Clinic (RHC) Services are defined in Section 1905(a)(2)(B) of the Social Security Act (the Act). RHC services include services provided by physicians (MD/DO), dentist, advanced practice registered nurse, physician assistants, nurse anesthetist, nurse midwives, psychologist, licensed clinical social workers, dental hygienist, podiatrist, radiology, optometrist, opticians (including eyeglasses dispensed), visiting nurses, clinical laboratory and other ambulatory services included in the state plan. RHC services also include services and supplies that are furnished as an incident to professional services furnished by a physician, physician assistant, nurse practitioner or nurse midwife, and related medical supplies other than drugs and biologicals. Limitations on other ambulatory services furnished in the RHC are the same limitations as defined for those services in the State Plan.

- 2.c. Federally qualified health center services are subject to the same limitation as those of rural health clinics.

Federally Qualified Health Center (FQHC) Services as defined in Section 1905(a)(2)(C) of the Act. FQHC services include services provided by physicians (MD/DO), dentist, advanced practice registered nurse, physician assistants, nurse anesthetist, nurse midwives, psychologist, licensed clinical social workers, dental hygienist, podiatrist, radiology, optometrist, opticians (including eyeglasses dispensed), visiting nurses, clinical laboratory and other ambulatory services included in the state plan. FQHC services also include services and supplies that are furnished as an incident to professional services furnished by a physician, physician assistant, nurse practitioner or nurse midwife, and related medical supplies other than drugs and biologicals. Limitations on other ambulatory services furnished in the FQHC are the same limitations as defined for those services in the State Plan.

As an alternative to inpatient psychiatric care, an FQHC or hospital may assume clinical liability and administrative oversight by entering into a contractual agreement with an outpatient clinic that provides Partial Hospitalization Program services and meets the criteria of a Certified Mental Health Clinic (CMHC).
