

Practitioner's UPL Supplemental Payment Program Public Workshop

February 24, 2017

Proposed Changes

Changes to included Practitioners:

- Inclusion of Dentists and Oral Surgeons

Target Effective Date:
July 1, 2017

Changes to included entities/facilities:

- Facilities operated by the University of Nevada School of Medicine – Las Vegas, University of Nevada School of Medicine – Reno, or University of Nevada School of Dental Medicine
- Facilities operated by a public or private entity that provide medical education in affiliation with the University of Nevada School of Medicine – Las Vegas, University of Nevada School of Medicine – Reno, or University of Nevada School of Dental Medicine

Proposed Changes CONTINUED

Changes to included services:

- Inclusion of services without a Medicare rate
 - This addresses the disparity between the Medicare and Medicaid populations and approved services
 - Allows the addition of preventative and dental services not previously included

Changes to methodology:

- Average Commercial Rate (ACR) data collected annually from each participating entity
- No Medicare Equivalency Ratio is calculated
- Entity/procedure-specific ACR less the Medicaid Base Rate = Supplemental Payment (*calculated at the procedure code level*)
- Quarterly reports prepared by the Schools of Medicine will be used to determine eligibility of practitioners and Qualified Teaching Settings
