Policy

# AUDIOLOGY SERVICES PUBLIC WORKSHOP March 13, 2017

**Proposed Language for the Nevada Medicaid  
Services Manual (MSM) – Chapter 2000,  
Audiology Services ~ *Draft***

## Section 2003.3A Coverage and Limitations

**Propose language changes in this section, number 3, as:**

- “Hearing Aid Batteries: Hearing aid batteries are limited to one package of four per hearing aid per month. Requests for batteries more frequently for recipients age 21 and older require prior authorization. Children under age 21 may exceed the limitation, when medically necessary.”

## Section 2003.3C Recipient Responsibility

**Propose language changes in this section, number 2, as:**

- “purchase of additional batteries beyond the limitation of one package of four per hearing aid per month.”

## Section 2003.3C Recipient Responsibility

**Propose language changes in this section, number 3, as:**

- “repairs and replacement of the hearing aid(s) if the recipient loses Medicaid eligibility; and.”

## Section 2003.3C Recipient Responsibility

**Propose language changes in this section, number 4, as:**

- “picking up the hearing aid(s) and returning for any necessary adjustments within the hearing aid trial period established with the provider.”
