Modernization: Attention Inpatient Services Providers: Changes Regarding Patient Liability on Inpatient Claims

The Division of Health Care Financing and Policy (DHCFP) will implement a new, modernized Medicaid Management Information System (MMIS) on February 1, 2019. In preparation for the new MMIS, please be advised patient liability will only be deducted from provider types (PT) 19 (Nursing Facility) and PT 65 (Hospice, Long Term Care) claims. Whichever claim is received first in the system, i.e., PT 19 or PT 65, will have the patient liability deducted. Patient liability will no longer be deducted from any other type of inpatient claims.

If there are any questions, please do not hesitate to contact Nevada Medicaid.
