Nevada Medicaid and Nevada Check Up

Instructions for Completing Form FA-16A

(Authorization Request for Home Health Agency-Intermittent Services)

To stay current with policy and documentation updates, providers are encouraged to visit www.medicaid.nv.gov weekly and be sure to read any messages included on your Remittance Advice.

Finding the Form and Instructions Online

Form FA-16A and these instructions are online at www.medicaid.nv.gov (select "Forms" from the "Providers" menu and scroll down until you see form FA-16A and FA-16A Instructions).

General Form Instructions

All form fields must be completed. Write "N/A" in a field if the item does not apply.

Please print or type information on this form. If information is illegible, processing may be delayed. You can enter information directly into the form on your computer clicking in any field and typing. You can check and uncheck the checkboxes by clicking them.

When you are finished completing the form, submit the request online using the Provider Web Portal with the attached medical documentation to support the request.

If the FA-16A is incomplete, or unsigned, the authorization request may be pended for additional information and you will need to upload a corrected FA-16A to the same authorization. DO NOT create a new authorization. The received date is the date a completed correct request is received. The date of receipt of incorrect or incomplete requests is not valid. To avoid uncovered dates of service, please complete the FA-16A in its entirety the first time it is submitted. Only a completed FA-16A will be processed. If the information is not received within five (5) calendar days, the request will be denied, and a notice of decision will be sent.

Completing the Form

This section describes the information to enter in each form field.
