HEALTH CARE GUIDANCE PROGRAM (HCGP) EXPANDING!

PRESENTED BY:

RACHEL MARCHETTI ,SSPS II
HCGP- OUTREACH SPECIALIST AND
TEAM.

What is HCGP?

- The Health Care Guidance Program (HCGP) provides care coordination and integration for some of the Medicaid Fee-For-Service (FFS) population.
- As this is a research project CMS required us to exclude those who became eligible through PPACA until we had baseline Medicaid Data.
- Medicaid beneficiaries with one or more of the qualifying chronic conditions, or a high cost/high utilization pattern; along with behavioral/mental health support for these needs.
- The enrollment limit is set at 41,500
